Mr. S.Md.Rafi of CBIT and Mr.K. Sai Preetham Goud of MGIT III B.Tech. ECE stood 1st and 2nd respectively.
- 3) Department of Civil Engineering arranged two day Faculty Development Program on "TEACHING ENGINEERING" to motivate and inculcate the new developments and various methodologies that can be adopted for effective teaching. The Faculty Development Program has mainly focused to help the engineers, who are newly recruited as faculty, to understand the nuances of teaching and simple techniques to effectively shape the students' career. It can become a stage to a teacher to let his/her voice heard to many, paving a way for creating awareness regarding exemplary teaching methodologies. About 62 newly recruited faculty in all branches have registered and attended the event. Eminent and distinguished speakers viz., Dr. V Malakonda Reddy Garu (CBES), Prof. P Sreenivas Sarma (CBIT), Dr. Pradeep Ramancharla (IIIT, Hyderabad), Dr. Meena Hariharan (University of Hyderabad), Prof. V Vishwanatham (Retired Professor, OU), Dr.Jacqueline Amaral (VCE) and Dr. G Chandra Mohan Reddy (MGIT) have addressed the gathering on various topics which helped in enhancing the teaching skills of freshly recruited faculty. Feedback from the participants regarding the session was very positive and at the end of the session participants were seeking for more such sessions to help them in the future as well.
- 4) Department of Civil Engineering organized a National Level Students' Technical Symposium "CINFRA 16" on 16th March 2016. Various technical events viz., Paper Presentation, Poster Presentation, Model Exhibition, etc., and other spot events were held to bring out the competitive spirit among students and also to update the student's knowledge about "Natural Hazards and Disaster Mitigation" keeping in view of various recent natural disasters. More than 300 students from various colleges have participated in the event and made it a successful event.
- 5) One day student Workshop on "Sustainable Design and Construction of Bridges" was organized on 22nd March 2016. Sri A.Sai Baba, Chief Engineer Indian Railways North East Zone, delivered key note address on Sustainable developments of Long Span Bridges across the world. He emphasized the significance of sustainable developments and methods to achieve sustainability. Mr.D.Srikanth, BSCPL Infrastructure Limited, Senior Engineer (Structures) delivered a lecture on Planning, Design and Construction of bridges. Session dealt with factors related to the shape, geometry and structural configuration of bridges. The workshop was interactive and was beneficial to about 120 students.
- 6) Prof.C Suryanarayana, Department of Mechanical and aerospace Engineering, University of Central Florida has delivered the Lecture series. A total of 25 students from II and III year of the Department of Metallurgical & Materials Engineering have undertaken the One-Week Course on Synthesis, Characterization, processing and applications of Nanomaterials organized by the Global Initiative Academic Network (GIAN), Government of India at the National Institute of Technology, Warangal during March 07-11, 2016.
- 7) Department of Electrical & Electronics Engineering with Thrive Solar Energy, Cherlapally, Hyderabad organized One day workshop on "Solar Energy Systems" on 11.03.2016. About 62 students participated in the programme.
- 8) Department of Electrical & Electronics Engineering with ATI, Ramanthapur, Hyderabad organized one Week training programme on "Safety Measurements" from 29.02.2016 to 05.03.2016.

- 9) Department of Electrical & Electronics Engineering organized POTENZIA'16, One day National Level Technical Symposium on 16.03.2016. As part of the fest many events were conducted such as Paper Presentation, Poster & Model Presentation, Tech Quiz, Circuits Debugging, B-Plan & B-Quiz, and spot events like Prayog, GRE Quest, Memo ride, Techno Words, Quick Math, Pictionary, Who Is Hazar Does? and Mock Placements.
- 10) Department of Electrical & Electronics Engineering organized Guest lecture on Career Opportunities" by Dr.Muninder, Director, Career forum, Hyderabad on 24.03.2016 for III year EEE Students.
- 11) Department of Mechanical Engineering has organized IGNITO'16 on 16th March 2016 and about 130 students from various colleges have participated.
