

### Mechanical:

- Production Engineering
- Automation & Robotics
- CAD/CAM
- Thermal Engineering
- Machine Design
- Mechatronics

### Metallurgical & Materials Engineering:

- Metal Forming

### CSE:

- Software Engineering

### EEE:

- Power systems
- Power Electronics/ Electrical Drives
- Control Systems/ Systems Engineering

### Civil:

- Structural Engineering
- Transportation Engineering
- Water Resources Engineering
- Geotechnical Engineering
- Construction Management
- Remote Sensing & GIS

### IT:

- Computer Networks & Information Security

### ECE:

- VLSI Design
- Embedded Systems
- ES & VLSI Design
- Communication Engineering / Communication Systems
- Microwave and Radar Engineering
