The Training & Placement Cell of MGIT Conducting Training sessions with the following break-up of contents for 2nd, 3rd and 4th year students as per allotted placement periods during regular class work in this semester. Especially for 4th year students, we will plan for more sessions apart from the allotted regular placement periods.

Contents (for all years):

Aptitude, Verbal, Reasoning, English, GD, JAM, Technical, Programming, Psychometric sessions and tests. Technical, HR, Personal (Mock interview sessions). Company specific inputs(Deloitte, TCS, L & T infotech, CTS, Wipro and other core Engg companies). Apart from this initially for 4th year students & later cascade to 2nd & 3rd year students (providing inputs on C & data structures, SQL, PL/SQL, Java, Web designing(HTML/CSS), python, Embedded systems). For all the above mentioned tasks (attendance & track sheets are mandatory).

All the material (both online & offline) will be shared by Placement officer & already briefing done to Placement coordinators (with respect to material & engaging every placement period smoothly by conducting parallel activities by allotted respective faculty from each department). For any clarification, please contact placement officer.
