### DATE OF JOINING:

24-02-2016

### EXPERIENCE - 5 Years

- Teaching - 5

### SUMMARY:

- Publications – 01
- Events attended- 35

### Responsibilities Held at Institution Level:

1. Student bus in charge
2. Campus monitoring.
3. Anti-Ragging duty
4. Member at various committees for programs held at institution level such as NIRVANA

### Responsibilities Held at Department Level:

1. CED Placement Coordinator
2. Class Coordinator
3. Student mentor
4. Student monitor
5. Member at various committees for programs held at institution level such as CINFRA, NICEST

### Courses Handled at Undergraduate /Post Graduate Level:

- **UG:** Hydraulics and hydraulic machines Hydrology and water resources engineering, IRHS, Disaster preparedness and planning management, Air pollution control.

### Publications:

1. Paper presented on “Performance of steel fiber in concrete” International Conference on Recent Advances in Civil Engineering Infrastructure (RACEI-2019) Department of Civil Engineering, Muffakham Jah College of Engineering and Technology on 16 th -18 th December 2019.

### Conferences:

1. Performance of steel fibres in concrete International conference on Recent Advances in Civil Engineering Infrastructure&quot;, MJCET 16-18 Dec 2019

### Events Attended

#### FDPs/STTPs:

5. Online Faculty Development Program ON “Application of Remote Sensing and GIS in Civil Engineering”; Silicon Institute of Technology dated 7-10, July 2020
6. Online Faculty Development Program ON “Quantum Geographic Information” conducted by Don Bosco College of Engineering, Goa dated 1-5 June 2020.
7. Online Faculty Development Program ON “Techniques in Civil Engineering” conducted by Chaitanya Bharathi Institute of Technology, Hyderabad 1-6 June 2020

8. Online Faculty Development Program on "Global Trends in Civil & Infrastructural Engineering" Institute of Aeronautical Engineering, Hyderabad
9. Online Faculty Development Program on "Art of Writing Papers and Research Methodologies" Gokaraju Rangaraju Institute of Engineering and Technology, Hyderabad, 7-13 May 2020
10. Online Faculty Development Program on "Outcome Based Education" conducted by in pods
11. Faculty Development Program onto Rivet Architecture “ dated 23-25 January 2020.

**Refresher Courses/ Workshops/ Webinars/ Seminars/Guest Lecture:**

1. Webinar on Emerging trends and challenges in Construction Projects”; Bapatla Engineering College 9th June 2020.
2. Webinar on geo-polymers conducted by Indian Concrete Institute, 7th June 2020
3. Webinar on Aim and planning of in-situ testing in concrete structures IIT-Roorkee 6th June 2020
4. Workshop Recent Advances in structural engineering (RASE-2020)” Visvesvaraya Technological university, KALABURAGI, PH CENTRE 30<sup>th</sup>, May, 2020 .
5. Webinar on Challenges in Concrete Technology Indian Concrete Institute 29th May
6. Webinar on
7. Selection of cement for durable construction “, by KLU 23rd May 2020
8. Webinar on Experimental Study on GGBS and Metakolin based Geopolymer concrete KLU 22nd May 2020
9. Webinar on Competency Targets for Employability-An Industry Perspective Indian Concrete Institute, Bangalore 22nd May 2020
10. Webinar on Magnetic Survey of Meteoritic Impact Craters, KLU 18th May 2020
11. Webinar on Ready mixed Concrete Production Process-Challenges & Remedies Indian Concrete Institute, Bangalore 18th May 2020

**Online Certifications:**

1. Remote Sensing and GIS Technology and Applications for University teachers and Government Officials, ISRO, dated 13th June-1st July 2020
