

About the Seminar

Teaching is a highly dynamic process and teachers need to equip themselves with necessary and effective teaching skills to provide an inclusive and engaging classroom atmosphere for the students. Language teaching is a continuous and evolving process and hence it is the need of the hour for teachers to up-skill themselves with innovative teaching techniques and methods for fruitful outputs. This professional development seminar aims to reweave the teaching methodologies to bridge the gaps that exist in the present-day classroom situations.

Themes:

- Teacher Identity
- Teacher-student Rapport
- Current Methods for Reweaving of English Classroom
- Innovative Practices and Trends in English Classroom

Resource Persons:

Resource persons with expertise from premiere institutions of India are invited for their lectures.

Target Audience:

Open for the teachers of all disciplines and levels.

Registration Details:

There is no registration fee
Certificates of Participation will be issued for all those who participate actively and submit the feedback forms at end of the seminar.

Last date for registration is 29th August, 2022

Teacher Identity - Reweaving the English Classroom

A Virtual

Seminar on

30th August, 2022

(Department of M&H)

1997 - 2022
Under the Aegis of

Mahatma Gandhi Institute of Technology (A)
Gandipet , Hyderabad – 500 075 Telangana ,
India

Website: www.mgit.ac.in

ABOUT MGIT

Mahatma Gandhi Institute of Technology (MGIT) was established by the Chaitanya Bharathi Educational Society (CBES) in a serene and tranquil atmosphere at Gandipet, Hyderabad and has grown rapidly since its inception in 1997. The lush green campus of MGIT is spread over 30 acres of pleasant landscape with a constructed area of 2,50,787 sq.ft. Further, MGIT is celebrating its silver jubilee (1997-2022) in the year 2022.

MGIT is affiliated to Jawaharlal Nehru Technological University, Hyderabad. The institute has recently received accreditation for 4 years for all 6 B Tech Programs from National Board of Accreditation, New Delhi. The institute is also accredited by NAAC with an 'A' grade. In a recent development, MGIT has attained the Autonomous status by the University Grants Commission (UGC), New Delhi.

The college offers courses in 11 Undergraduate Programs (Computer Science, Information Technology, Electrical & Electronics, Electronics & Communication, Mechatronics, Metallurgical & Materials Engineering, Civil Engineering and Mechanical Engineering, Computer Science and Business System, Computer Science and Engineering (Artificial Intelligence and Machine Learning) and Computer Science and Engineering (Data Science) and 7 PG program (Computer Aided structural Engineering, Mechatronics, DE & EC, AI, DS, Embedded Systems). Brilliant and Meritorious candidates seek admission into MGIT, through an annual competitive examination called EAMCET.

For the last three years, about 75-80% of our students have been successfully placed through college placement cell. Many of our alumni have opted to pursue higher education and are now well settled in different parts of the world in the coveted positions.

The Department of M&H

The department of Mathematics and Humanities (M&H) was established in 1997 with a focus to support and cater to the academic and professional needs of the core engineering departments in the areas of Mathematics, English and Management Science.

A full complement of 25 highly qualified, competent and experienced members of faculty impart quality education in their respective subjects to the students of engineering so as to enable them to have a wider and deeper understanding of the role and application of Mathematics, English language and communication skills and managerial acumen, necessary for a professional.

The faculty of Management Science and English extends support to Entrepreneur Development Cell (EDC), Career Guidance Cell (CGC) and Placement and Training Cell (TPC) of MGIT, creating awareness and providing opportunities for necessary guidance and skill training required for entrepreneurship, overseas higher education opportunities and employability.
