ABOUT

Mahatma Gandhi Institute of Technology is one of the premier Engineering Colleges in the self-financing category in the state of Telangana. MGIT is affiliated to Jawaharlal Nehru Technological University, Hyderabad. The institute has received accreditation for six UG programs, three times from National Board of Accreditation, New Delhi. The Institute is also accredited by NAAC with 'A' grade. Starting from academic year 2021-2022. MGIT is conferred with Autonomous status for 10 years by UGC, New Delhi. The institute offers instruction in eleven Undergraduate Programs: Computer Science & Engineering, Information Technology, Electrical & Electronics Engineering, Electronics & Communication Engineering, Mechatronics, Civil Engineering, Mechanical Engineering and Metallurgical & Materials Engineering and also in emerging technological areas like Computer Science and Business System, Computer Science and Engineering (Artificial Intelligence and Machine Learning) and Computer Science and Engineering (Data Science) and seven PG programs. The institute has received MHRD's NIRF-2022 Ranking in the rank band: 251-300.

ABOUT THE DEPARTMENT

MGIT's Computer Science Engineering is a department that is packed with scholars who are ready to take the art of programming to the next level. With a total of 22 doctoral scholars at different stages of their research endeavour, the intellectual ambience in this department is conducive to the overall development of students and the discipline of computer engineering as a whole.

The IT department at MGIT does not need any lucky stars to thank, since we have stars among us who are always willing to go that extra mile. When excellence is the permanent goal, obstacles appear as temporary. That is the spirit with which our departmental teachers, students and research scholars work in order to retain the prestigious position it holds in this field of engineering.
