Sir/Madam,

With reference to the subject cited above, it is informed that the Ministry of Health & Family Welfare Government of India decided to conduct one nation-wide Polio Vaccination campaign on 3<sup>rd</sup> February, 2019 targeting approximately 17 crore children under 5 years of age irrespective of their previous immunization status.

You are well aware that NSS has played a vital role in making this PPI Programme success during all the previous campaigns throughout the Country. The Ministry of Health & Family Welfare Government of India specially appreciated the support extended by NSS for this noble cause and sought the same support for the proposed campaign no 03/02/2019.

In this connection, I request you to the all NSS Units working under JNTUH, to issue necessary instructions to involve maximum number of volunteers to assist the local administration in identifying the children between 0 – 5 years age group and get them vaccinated under Pulse Polio immunization Programme to be held on 03-02-2019 and also requested to coordinate with the local Health Administration and extend the services of NSS volunteers as per the requirement and the finally a brief report in the enclosed Performa along with Photographs Video / Paper clippings etc. Should be submitted to the NSS, JNTUH immediately, after the programme is over for compilation and onward transmission to the Regional Directorate of NSS, Hyderabad.

Your cooperation in the matter is highly solicited. This is for your information and necessary action.

Government of India

Ministry of Human Resource Development

Swachh Bharat Summer Internships 2018

### 1. Objective

In furtherance of the objectives of the Swachh Bharat Abhiyan launched on 2<sup>nd</sup> October 2014, Government has launched the Swachh Bharat Summer Internships-2018 aiming at enrolling the students for promoting swachhata in the villages. Under this, the students are invited to select a village of their choice, and work with the village community for building a lasting system for improving the overall sanitation and hygiene in the village. It is expected that each student would devote at least 100 hours to Swachhata, and carry out specific measures for improving the sanitation and hygiene in the village.

This internship is being jointly launched by the Ministry of Human Resource Development in association with the Ministry of Drinking Water and Sanitation and is named 'Swachh Bharat Summer Internship – 100 Hours of Swachhata'. The objective is to engage youth across the country, develop their skill and orientation for sanitation related work and make Swachh Bharat Mission a *jan andolan*.

### 2. Components of the internship

The student enrolled for the internship is expected to adopt one or more villages and conduct activities of their choice to contribute to the cause of rural sanitation in India.

a) **Duration:** At least 100 hours in the period 1<sup>st</sup> May to 31<sup>st</sup> July 2018 during Summer Vacation.

b) **Who can apply:**

- Youth enrolled in Colleges/ Universities may apply through an online application form made available on the website [mhrd.gov.in](http://mhrd.gov.in). These organizations are henceforth referred to as the "parent institution".
- Candidates to indicate the location of internship (village/district). The location of the internship may either be home state or the state of the parent institution. (to be accepted by MHRD)
- Candidates may participate individually or in teams. Team size may be decided depending on the nature and scope of their activity, and approved by the parent institution, subject to a maximum limit of 10 members in a team.

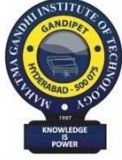

c) **Internship Process**

- Candidates to devote approximately 100 hours conducting Swachhata-related activities in villages selected by them and approved by the parent institution.
- The parent institution to organize necessary logistics for the activities.

### 3. List of suggested activities:

As a part of the internship, the activities that participants may conduct have been categorized into two clusters:

A. **Information-Education-Communication activities:** IEC activities are oriented towards increasing the awareness of people about sanitation related issues and trigger a change in sanitation related behaviour. IEC activities undertaken by the interns can target behaviour around open defecation, hygiene practices, solid/ liquid waste management among other behaviours. Under this, the interns may
