ABOUT THE INSTITUTE

Mahatma Gandhi Institute of Technology (MGIT) founded by Chaitanya Bharathi Educational Society (CBES) in 1997, is at present an Autonomous Institution and has grown rapidly since its inception on a serene and tranquil landscape at Gandipet, Hyderabad. MGIT is one of the premier Engineering Colleges in the self-financing category in Telangana. MGIT is affiliated to Jawaharlal Nehru Technological University, Hyderabad and the institute has recently received accreditation for 3 years for 8 B.Tech Programs from the National Board of Accreditation, New Delhi. The institute is also accredited by NAAC with an 'A++' grade in the year 2023. MGIT is ranked among the top 100 at all India level, top 50 in South India, and top 2 in the state of Telangana. MGIT received ISTE best chapter award for the overall leadership and quantum of activities. The institute offers 11 undergraduate and 7 postgraduate programs. In the last three years, about 80% of our students have been successfully placed through college placement cell. Co-curricular and extra-curricular activities are planned and executed through various student clubs. The college fest 'NIRVANA' is a scintillating mega event. The constituent departments conduct equally enthralling annual technical symposia & conferences.

ABOUT THE CIVIL ENGINEERING DEPARTMENT

The Civil Engineering Department offers UG program in Civil Engineering with an intake of 60 and PG program in Computer Aided Structural Engineering with an intake of 18. Department is bestowed with well equipped laboratories, highly qualified and dedicated faculty with rich experience, skilled and committed supporting staff. Department provides internships to the students in various companies in public and private sector organizations. Department offers consultancy in structural design, material testing and field investigations. Department is engaged in industry institute partnership to exchange the latest developments in the field of Civil Engineering. The faculty of the Department have executed funding projects of worth of Rs. 39 Lakhs from SERB, AICTE and AICTE-TEQIP III funding organizations. The Civil Engineering Association (CEA) of MGIT organizes many co-curricular activities for students to update their knowledge to suit to industry needs.

ABOUT THE WORKSHOP

The main objective of this workshop is to bring together active researchers and to have deliberations on the recent advances in sustainable technologies in Civil Engineering. The platform creates an opportunity for the faculty, research scholars and PG students to update their knowledge about research developments that have taken place in the recent past from eminent academicians.

CHIEF PATRONS

Sri Praveen D Reddy
Chairman, CBES.

Sri J. Pratap Reddy
Secretary & Correspondent.

PATRONS

Dr. G. ChandraMohan Reddy
Principal, MGIT.

Dr. K. Sudhakar Reddy
Vice-Principal, MGIT.

COORDINATOR

Dr. V. Venkat Ramayya
Associate Professor.

CO-COORDINATORS

Mr. S.Jayaprakash Narayana, Asst. Professor.
Mr. G.Srinivas, Asst. Professor.

ORGANIZING COMMITTEE

Faculty and Staff of Civil Engineering Department

REGISTRATION

- ❖ *Registration Fee: Rs. 200/- (only for faculty, Research Scholars & PG students and payable on the day of the workshop) Registration Link: <https://forms.gle/n69WKv3goDPHBL43A>*
- ❖ *Target Audience: Faculty Members, Research Scholars, PG & UG Students & Industry Professionals in Civil Engineering*
- ❖ *E-Certificates will be provided to all participants who attend the workshop and submit feedback for all sessions.*
- ❖ *Last date of registrations: 24TH June, 2024 before 5 PM.*
