### ISTE STUDENT CHAPTER- MGIT

The Indian Society for Technical Education (ISTE) is a National, Professional, and Non Profit technical Society. The major objective of the ISTE is to assist and contribute in the production and development of top quality professional engineers and technicians needed by the industries and other organizations. The Students' Chapter of ISTE at MGIT was established in 2003. All the students of MGIT are the members of the chapter. ISTE Students' Chapter-MGIT, working in line with the national policy, is actively conducting various technical activities over the years in collaboration with all the departments of the Institute.

ISTE Students' Chapter- MGIT organizes "MAGISTECH" a National Technical Symposium for Engineering Students annually on the eve of Engineers Day apart from various Technical events throughout the Academic year.

The executive Committee has Prof. G. ChandraMohan Reddy, Principal, MGIT as Chairman, Prof. K. Sudhakar Reddy, Vice Principal, MGIT as Co-Chairman, Dr S.Madhava Reddy, Professor of Mechanical Engineering as Faculty Advisor, Faculty from different departments and students from different classes of B.Tech. as members.

MAGISTECH is the annual national event of ISTE students' Chapter- MGIT. This National event is aimed providing a platform for the Engineering students to interact and share their ideas with the other students across the country.

ISTE Students' Chapter and Institution's Innovation Council of Mahatma Gandhi Institute of Technology (MGIT) have jointly organized a two days National Level Technical Symposium for Engineering students **MAGISTECH-2024** during 13-14 September, 2024. This event was organized as part of celebrations of **Engineers' Day**, the birth day of Bharath Ratna Sir Mokshagundam Visvesvaraya.

This National Level Technical Symposium **MAGISTECH 2024** was held to bring together engineering students from across the country to showcase their technical skills, share knowledge, and foster collaboration in various fields of engineering. The event aimed to provide a platform for innovative ideas and technological advancements, as well as to facilitate networking among students, faculty, and industry professionals.

Around 155 students from various parts of the country have participated in various events viz **Paper/Poster presentations Robotics, 3D Printing, and Tech Quiz** conducted during the event. CAD Design Competitions and Technical Quiz were also conducted.
