Dear MGIT team,

I hope this mail finds you well. Firstly, allow me to extend my heartfelt thanks to your entire staff and students for the enthusiastic participation in our recent awareness session about Thalassemia. Your commitment to social causes and willingness to spread awareness is truly commendable.

In continuation of our shared mission to combat Thalassemia, we kindly request your assistance in taking our collaboration a step further. Would you be able to share the Blood Bridge sign-up link with your students? This would greatly facilitate their participation in our life-saving program. I am attaching a flier/poster that can be shared across for sign ups. We also facilitate weekend volunteering if anyone wants to support the cause.

Additionally, to provide a deeper understanding into the work we do and the impact we've made so far, we are attaching our annual report with this email. We believe this will offer your students a comprehensive view of our initiatives, achievements, and the critical role of our volunteers and donors in this journey.

Thank you once again for your support and partnership. Together, we can make a lasting difference in the lives of many and move closer to our goal of eradicating Thalassemia from India.

Looking forward to your continued support.

Kind regards,

Krishna Vamshi Rajalingu

4. I would like to request you to kindly support the campaign through your vast network of NSS volunteers in the higher educational institutions who would take lead in anchoring the program in the educational institutions.
