**Circular to Scholarship & Fee Reimbursement Eligible Students regarding
Aadhaar Seeding with Bank Accounts**

All renewal scholarship students belonging to the SC, ST, BC, EBC, Disabled, and Minority categories are requested to ensure that their Aadhaar number is linked (seeded) with their bank account at the earliest to facilitate the timely processing and disbursement of scholarship payments directly to their bank accounts.

Some students have not yet seeded their Aadhaar numbers with their bank accounts. Such students are requested to complete the Aadhaar seeding process as early as possible.

Students who fail to complete Aadhaar seeding with their bank account will have their scholarship applications kept on hold until the seeding process is completed.

Therefore, all concerned students are advised to complete the Aadhaar seeding process at the earliest to avoid any delay in receiving their scholarship payment.
